Brussels Card + Hop on Hop off

## **BRUSSELS CARD + HOP ON HOP OFF**

With the “Brussels Card + sightseeing”, the Brussels Card also allows your client to ride on the Hop on Hop off buses for free during 24, 48 or 72 hours:

- simply present the Brussels Card when getting on the Hop on Hop off buses;
- headphones in 8 languages;
- save 50% on the normal price of the Hop on Hop off

## **BRUSSELS CARD + HOP ON HOP OFF + PUBLIC TRANSPORTATION**

From the 1<sup>st</sup> of January 2017, we will launch a new extra to the Brussels Card; the public transportation. It will give your client access to the tramways, subways and buses operated by the STIB/MIVB, which is the official transport company of the Brussels Capital Region.

You'll have free access to all permanent collections of the museums. Most of the temporary exhibitions are also included, except at the Old Masters Museum, the Natural Sciences Museum and the Cinquantenaire Museum, where you'll have to pay the normal admission fee.

The discounts for the various attractions, tours, shops, restaurants, and bars provided in the booklet you'll receive when you exchange your voucher are for single use only, but the discounts remain valid even after the Brussels Card has expired.

To obtain a discount, you simply need to present the Brussels Card and the corresponding voucher.
