Day 1: Join our train at Kings Cross Station and depart at 7am. The journey takes approximately 4 1/2 hours. On arrival, make your own way to your hotel and start exploring this exciting city. You have included a hop-on hop-off sightseeing tour to make the most of your time in Edinburgh and entrance to Edinburgh Castle is also included.

Day 2: An amazing trip to Loch Ness and the chance to go Monster hunting! Heading north from Edinburgh we pass the imposing ramparts of Stirling Castle, skirt the Trossachs (Rob Roy country) before crossing the wilds of Rannoch Moor and onto dramatic Glencoe. Our tour takes us past Fort William and Britain's highest mountain, the mighty Ben Nevis before following the Great Glen and stopping in the village of Fort Augustus by the shores of the mysterious Loch Ness. You have the option to take a boat trip on Loch Ness, explore or simply relax in a gorgeous wee Highland village. Enjoy our free locally produced picnic lunch.

Our return journey passes through 'Monarch of the Glen' country, south to Perthshire and the historic town of Dunkeld. We then view the spectacular Forth Bridges before arriving back in the Capital around 8pm.
